

# Mayfield Youth Band

Newsletter Summer 2019

## A Stitch in Time

Mayfield Youth Band is looking to build on its rich tradition, and its place at the heart of village life

The more observant amongst you will recognize the picture opposite as a snippet from the fantastic embroidery of the village in the Memorial Hall, showing the band and the bandroom. It just goes to show how important the band is to village life, and to the lives of the individuals that have been part of it over the years, so why don't you pop in and see what it's all about? We accommodate all ages and abilities, from beginner upwards, and we provide instruments and group tuition. There's a place for everyone. Come and see us in action on Friday evenings at 7pm, and have a go. We really want to build the Youth Band into something special, and we want you to be a

part of it. Call Simon on 01435872007 or [simon@mayfieldband.co.uk](mailto:simon@mayfieldband.co.uk)
