

Newsletter – March 2021

The Band are still subject to the current covid restrictions, but we hope to be able to resume rehearsals in some shape or form as we move into summer. We will be looking for new players when the time comes, so if you are interested in playing with the band, call us now so that we can tell you all about what is involved. And even if you've never played any music before, we can get you going, and provide you with an instrument.

The **Youth/Training Band** have continued with zoom meetings throughout the lockdowns, and have kept playing through video compilations, and by using notation software to illustrate how each piece of music works. They have recently also completed a "Scale-athon" on Zoom, raising £561 for CLIC Sargent, who support young people with cancer. Here they are in action

Contact Simon Rudge on 872007 or simon@mayfieldband.co.uk for the training band, or David Wilson on 07806 933659 david.wilson@biosciencebr.com for all other enquiries. You can also visit our website at www.mayfieldband.co.uk
