The band is steadily growing, and our wish for 2023 is that it will continue to do so. We would love to hear from you if you are already a brass player, or maybe you play a different instrument and would like to try something new and be part of a band. Our emphasis is on enjoyment, and if you are prepared to put in a bit of effort, there is a seat in the band for you. We have instruments available. Beginners are also welcome.
